About This Content

Ride of the Valkyries covers Hitler's last offensive in what became known as the 1944 Battle of the Bulge. It focuses on the northern shoulder. As Obersturmbannführer Peiper can you race your elite 1st SS panzer group and force a crossing of the Meuse river and turn the tide in the West. Or as General Ridgeway can you take charge and shore up the crumbling defences with your XVIII Airborne Corps and use the reinforcing 3rd Armoured Division to drive back the German forces. Contains 12 scenarios.
